Sussex County Bird Club 70th Anniversary Dinner

Thursday, April 27, 2023

GUEST SPEAKER: KEVIN KARLSON, WILDLIFE PHOTOGRAPHER & TOUR GUIDE

Through the Looking Glass: Reflections of a Grateful Birder

This light-hearted presentation examines birdwatching through Kevin's eyes and examines some of the reasons why so many people are bitten by the birding bug, including a unique camaraderie with other birders. Photos of birds, people and other creatures from various locations will be shown, as well as humorous events and stories that make the ride so interesting. Forty-four years of passionate birding have shaped Kevin's life in so many ways, with much of it revolving around the study and enjoyment of birds, and this show shares his appreciation for the journey. Come along for a ride through time that we all can relate to, with birds, people and special places the stars of the show.
